Dear Parent or Carer

PP1 School Closures Update

I would like to thank you for your continuing support over the last few months.

As we are getting close to the end of term I thought it would be helpful to let you know the arrangements that are being put in place to ensure you are kept up to date with how the works in our schools are progressing.

Weekly updates will be published on the Council's website www.edinburgh.gov.uk/schoolclosures. You may wish to check this on a regular basis. In addition, if any specific updates relating to your own school are published, you will receive a text message alert.

Edinburgh Schools Partnership (ESP) and their contractors, Amey, are still working to the published programme of remedial works, updated most recently on 15 June.

We are in regular contact with ESP and they assure us that good progress is being made across all sites. ESP is confident of handing the remaining schools back to allow all children to start the new term at their own schools.

Yours sincerely
