Faculty Feedback

The Faculty of Languages and Literacy is very keen to hear from all pupils about their experiences in class. We want to know what you think we do well, what you don't like and what changes you would like to see happen.

Mrs. Tindall will be having drop-in sessions in her room every lunchtime for the next two weeks where you can come and leave your opinions. There will be some comment sheets that you can fill in and a drop box for you to leave your feedback.

If you don't like the way something has been taught, or you have suggestions for new books we could study then this is your chance to have your voice heard. We will review your suggestions and feedback on a "You Said... We Did..." Board in a few weeks' time.

If you don't let us know what works for you and what doesn't then we cannot make changes that will help you.

Come and share your views.

Found last week

Found in the Library last week a black pencil case please collect as soon as possible.

'10 Minutes Reading in Class'

This week Period 1 will be '10 Minutes Reading in Class'. Please pop into the Library to check out some serious horror!!!!!!

Clear out the horror that is your bedroom and return any books you're not reading.

Science Catch Up Sessions

For any support you need to help prepare for your exams, come along to Science 2 after school on Thursdays. Help with key areas, exam preparation and homework available.

Biology – Tuesday 23rd May

Physics – Wednesday 17th May

Hub Club

Every Tuesday at 12.55 in PE for all Hub pupils and friends. All year groups welcome – You will need your PE kit!

See Miss Bisset for more details

All Students
