## 10 Minutes Reading in Class

P7 is this week's period for all students to get 10 minutes to read in class. Please bring something of your choice to read from home or pop into the Library. If you would like to take books home for the holidays, to read on the beach, on the plane, on the bus or in the back garden then come along to the Library before the end of term and make your choice.

## Overdue books

It is alarming to see how many of you are not returning your books. This is **YOUR** library and if you don't return books it will disappear pretty quickly. Please, please, please **BRING THEM BACK**.

**Books that aren't being read are DEAD!**
