FIRE ASSEMBLY POINT 1 (FAP1)	Front of Astro-Pitch	School staff, Visitors and Community Users	Headteacher, Business Manager
FIRE ASSEMBLY POINT 2 (FAP2)	Basketball Court	Annandale Students – Assemble in Tutor Groups	DHT (EM), Head of Annandale (MP)
FIRE ASSEMBLY POINT 3 (FAP3)	Assembly area in front of elm trees	Bellevue and Claremont Students – Assemble in Tutor Groups	DHT (PS), Head of Bellevue (MR), Head of Claremont (LR)
FIRE ASSEMBLY POINT 4 (FAP4)	Playground Side entrance	Nursery Staff and Students	Early Years Staff

10 Minutes Reading in Class

P6 this week is the period for all students to get 10 minutes to read in class. Please bring something of your choice to read from home or pop into the Library. From Aircraft to Zebras with lots of vampires and laughs we have something to help everyone enjoy reading!

The S2's are also welcoming author Keith Gray to Drummond this week.

Looking Good Art Workshop

We are looking for any senior pupils who are interested in taking part in a workshop with staff from National Portrait Gallery some time in Drummond before the launch of a special one off event on 24th June in that Gallery. The workshop is for any gender but the focus is on male style through the ages – investigate issues around appearance, hairstyles, fashion and identity.

Mr Paley got a few names on Friday at induction but any other interested pupils please give names to Mr Paley before end of school day Friday 9th June

Faculty Feedback

The Faculty of Languages and Literacy is very keen to hear from all pupils about their experiences in class. We want to know what you think we do well, what you don't like and what changes you would like to see happen.

Mrs. Tindall will be having drop-in sessions in her room every lunchtime for the next two weeks where you can come and leave your opinions. There will be some comment sheets that you can fill in and a drop box for you to leave your feedback.

If you don't like the way something has been taught, or you have suggestions for new books we could study then this is your chance to have your voice heard. We will review your suggestions and feedback on a "You Said... We Did...." Board in a few weeks' time.

If you don't let us know what works for you and what doesn't then we cannot make changes that will help you.

Come and share your views.

Hub Club

Every Tuesday at 12.55 in PE for all Hub pupils and friends. All year groups welcome – You will need your PE kit!

See Miss Bisset for more details

All Students

Casio Scientific Calculators are available to purchase from the school office at a cost of £5.00 per item.
